

# PB 340

A unique proposal among beds, designed for the comfort and safety of users with increased body weight. Reinforced structure, wider mattress support platform and heavy duty actuator allow this bed to be used by users weighing up to 215 kg. Due to its special technical parameters, the PB 340 bed is specially designed for bariatric patients.

In the picture: PB 340 bed, dimensions 120×200cm, front beech. Accessories: table Rubens 9 beech.

# PB 340

Standard design

## DETAILS:

1. Mattress support platform width 100 and 120 cm
