

PB 533

The high-quality wooden cover PB 533 available in several colors combined with a static mattress platform the PB 533 create a coherent appearance and gives a homelike character to the bed while maintains its key functions. The possibility of configuring additional equipment such as e.g. folding side rails makes this model very popular among individual customers and nursing homes.

In the picture: wooden cover PB 533 nabucco, with the PB521 adjustable insert with round bed bases and upholstered fronts.
Accessories: bedside lamp.
